## The Football Season

By MALCOUMBE C. ROBERTSON

Maybe the Governor Dummer football team did not have an especially good season, but everyone on the team worked hard, and the morale of the team was always high. The season's record was only fair: three wins against four losses.

After only a week and a half of practice the Governors opened the season against a more experienced Groton eleven, and Groton easily won the game, 19-0.

A well-oiled Thayer team handed the Red and White their second defeat the next Saturday on Morse Field. The Governors showed much improvement over the previous week. Hopes were high when Paul Samborski threw a long pass to George Tulloch and the Governors took an early 7-6 lead, but Thayer came back to win handily, 20-7.

The next week the Governors broke into the win column. They defeated

Browne and Nichols School at Cambridge. The first score for the Governors came as a result of a pass from Co-Captain Samborski to Bob Smythe. Pete Yates added the extra point. The Red and White hit pay dirt again on a pass from Samborski to Eddie Kelly, and later "Brownie" Taylor dashed around end for another score. In the second half Coach Sager started the second string, and the game ended 27-0, in favor of the Governors, after tackle Carl Glaser fell on an enemy fumble in the end zone.

On October 22 the Governors started the game against a rugged Milton eleven with a drive that ended up in a score when "Brownie" Taylor plunged through the line. However, Milton ran the kick-off back to tie the score at 7-7. The Governors were able to grind out only one other score, and Milton carried off the

victory, 20-12. Co-Captain Phil Long and "Studs" Stanyon were outstanding on the defense for the losers.

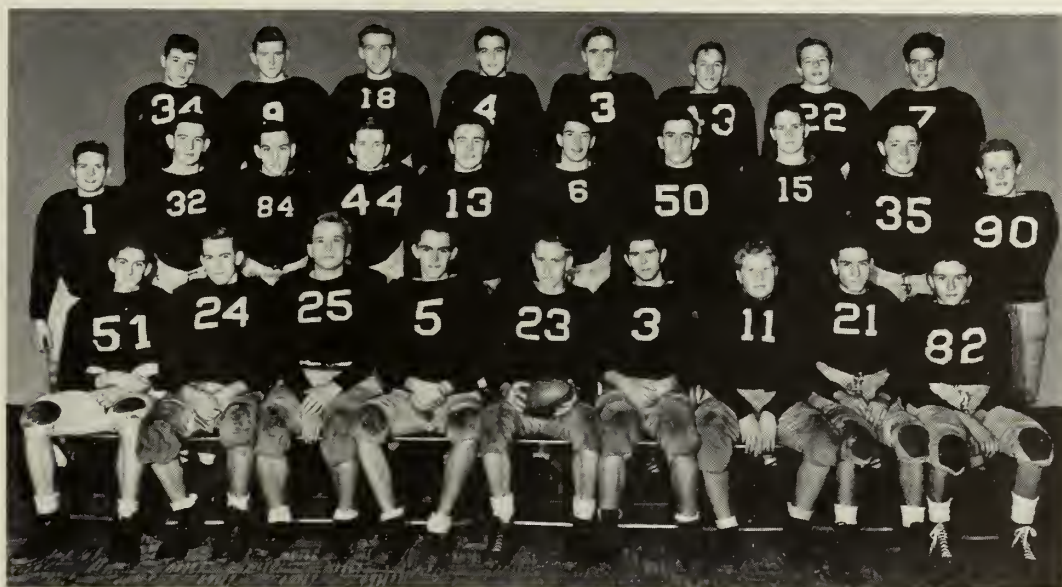

A week later the Governors rebounded against Belmont Hill at Belmont for their second win. Al Rogers started the ball rolling by catching a pass from Bob Hardy in the end zone. "Brownie" Taylor registered the Governor's second tally of the day. Belmont Hill then took over and in two quick thrusts tied up the score at 13-13. Belmont Hill again took the ball, but tackle "Moose" Hershey saved the day for the Governors as he intercepted a Belmont pass and ran 75 yards for the last score of the game as the Red and White won, 20-13.

After a long trip to Providence, R. I., the team lost an 18-6 decision to Moses Brown School. The Red and White started off well enough as Samborski passed to Pete Yates for the first score of the game. Then the roof caved in as Moses Brown rolled up three touchdowns and the ball game. Barry Gately's play

on defense was the only pleasing factor in an otherwise dismal day.

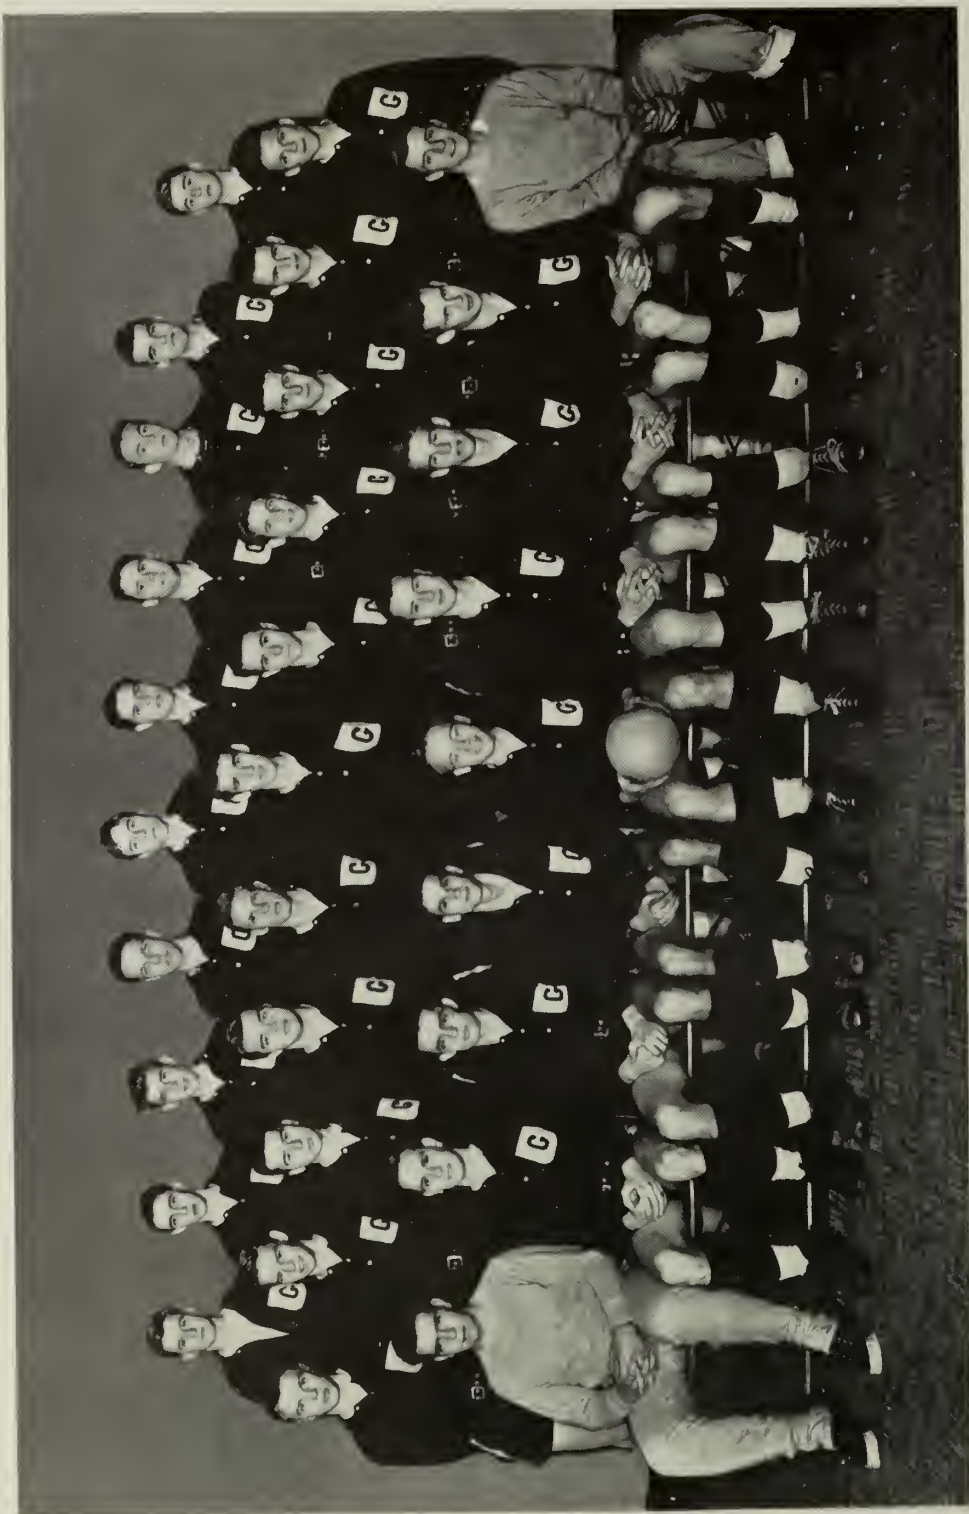

In the last game of the season the Governors met Tabor on their home field. The Red and White thereupon played their most inspired game of the season. The Governors received the ball and marched down the field to score when "Brownie" Taylor skirted the end. Tabor came back fast to lead at half-time, 12-7. However, Samborski scored early in the second half to put the Governors in the lead again. In the middle of the last period Dodge Morgan gathered up an enemy punt on his own three-yard line and made a spectacular run down the sideline to give the Governors the game, 25-12.

The football season started off poorly but ended up well with the victory over Tabor. Much of the credit for the fine development of the team must go to Coaches Sager, Murphy, and Cleveland, whose invaluable coaching helped the team tremendously.

## The Soccer Season

By WILLIAM E. REX

As the Governor Dummer soccer team assembled for the 1949 season, the outlook was not at all bright. The only inspiring thing that Coaches Navins, Traver, and Salaun could look forward to was a tremendous team spirit and the will to win.

The first game found the Governors traveling to Belmont Hill. Charlie Bowen opened the scoring early in the first period, and at half-time the Red and White were leading, three goals to none. Dave Yesair sparked the second half with three goals, while Tom Sayles added another to give the Governors a 7-1 decision.

The Governors lost their next game to a more experienced Andover team, 2-0, and then went on to lose the following Saturday to a powerful Harvard Freshman eleven, 2-1. Charlie Gesen scored the lone Red and White goal. The team's high

spirit was not at all dampened by these two losses, and the following Wednesday the Governors trounced Watertown, 4-1.

On Parents' Day the Red and White continued in their winning ways by turning back a spirited Milton team, 3-2. Charlie Gesen opened the scoring early in the second period, but later in that period Milton tied the score. The score remained tied until late in the third period when Charlie Bowen put the Governors out in front again. Milton, however, was not to be denied, because they came right back to knot the count. In the final minutes Charlie Bowen again found the range to give the Governors the game.

Next time out the Governors met a good Belmont High School team and had to settle for a tie. The high school boys got off to a fast start with an early goal, but after a long battle, the Red and White

managed to tie the score just prior to the final whistle. The following week the Governors traveled to North Andover where they met a surprisingly strong Brooks team. They emerged victorious, 3-0, with Jack Hattstaedt and Charlie Bowen accounting for the goals.

Next on the list of wins for the Navinsmen was St. Paul's School of Concord, New Hampshire. The first team started, played a half, and left the field with a 3-0 lead. During the second half the second team was used exclusively, and midway through the final period Barry Lougee scored to put the game in the win column, 4-1.

The following Wednesday the Red and White had their best day of the season, for they outscored a very strong Medford High School team, 3-1. Charlie Bowen got two goals, while Dave Yesair hit the nets for one marker. Without a doubt the best player on the field that day, however,

was halfback Dick Fischer, who was everywhere at once, setting up possible goals and breaking up numerous Belmont thrusts.

In the last game of the season the Governors traveled to Marion to meet one of their biggest rivals, Tabor Academy. Al Flynn opened the scoring with a beautiful shot from outside, and Dave Yesair added two more to give the Governors the win, 3-1.

The season ended with a final record of seven wins, two losses, and one tie. Much of the credit for this remarkable record goes to the three tireless coaches: Navins, Salaun, and Traver. This team, if not the greatest in the Academy's history, was certainly one of the finest. The team broke the school scoring record for a single season, and the squad displayed a brand of soccer that will be remembered in South Byfield for many years to come.

### Poohbah to Appear, Possibly Tonight

South Byfield, Mass., Nov. 16 (UP) — Plympton P. Poohbah, one-time potentate of pushball, may put in a surprise appearance tonight at Governor Dummer Academy, small, select school for boys, situated in the rolling piedmont of this quietly beautiful North Shore area. At daybreak this morning, several stealthy students from the old academy, for reasons not yet established, were visiting the near-by Byfield churchyard, where lie the mortal remains of the fun-loving Poohbah. Reverently approaching the ivy-covered tomb of the playful potentate, they were horrified to hear sepulchral whispers, which penetrated their fear sufficiently to be translated as three words: "I will arise; I will arise; ditto; ditto; ad infinitum; ad nauseam!" Needless to report, the timorous students, quaking, shaking, and throwing their weight down the big road at break-neck speed, or slightly more, breathlessly reported their eerie adventure to the authorities. Classes were called off, the faculty met in protracted secret session, offerings were burnt throughout the day on the small altar under Ingham House, and everything possible is now being done to insure the appearance of the Poohbah's protective spirit, to make more auspicious the opening of the perennial pushball pandemonium in the Cobb Room tonight. . . One local villager phoned in about dusk to say that he had seen the Poohbah fatly floating above the Little Red Schoolhouse, pushball clutched in his pale fingers. # The Hockey Season

By WILLIAM E. REX

The hockey team, aided by the presence of a little ice and a tremendous team spirit, enjoyed a very prosperous winter in 1950. As six games were scheduled for the Boston Arena, the team was at least assured of having some games to play.

The season's opener found the Red and White going down before Noble and Greenough, 2-1, at the Arena. Nobles had to come from behind to win after Co-Captain Charlie Bowen had put the Governors out in front with a beautiful goal.

The next time out the team beat Milton by a 3-2 score. Dick Fischer opened the scoring early in the first period. Then, after Milton had evened the count, "Brownie" Taylor found the range to put the Governors in the lead. But once more Milton tied the score. With about two minutes remaining, Taylor again pushed the puck past the Milton goalie to give the Red and White the game.

The following week the team traveled to North Andover where they downed Brooks, 3-0. Ronnie Campion started things off in the first period, with Charlie Bowen following a minute later with the first of his two goals. It is needless to say that both of the goalies, George and Robb, were outstanding for the Governors.

Back in the Arena once again the Red and White met a strong Middlesex team, losing 3-2. Middlesex started off fast with two goals in the first period. In the second period Dick Fischer brought the Governors close with a goal, and Charlie Bowen added another in the third period. By this time, however, Middlesex had scored again to insure victory.

The next game found the Red and White meeting Belmont Hill at the Arena. Charlie Bowen put the Governors ahead

early in the first period, but a minute later Belmont tied the score. Adding two more goals in the third period, Belmont Hill won the game, 3-1.

In their only home game the Governors downed Browne and Nichols, 4-0. Charlie Bowen started the scoring, and his goal was followed up with scores by Werner, Taylor, and Davidson before the second period ended.

At the Arena the Governors downed St. Mark's School, 5-2. St. Mark's scored first but could not hold their lead as Taylor fired two quick goals, which, combined with Brown's singleton, put the Red and White into the lead. In the third period both Taylor and Werner scored to put the game on ice for the Governors.

The next time out the Governors again met Milton at the Arena. Ronnie Campion scored in the first period to bring the Governors even after Milton had scored an early goal. Both teams were held scoreless in the last two periods and the game ended in a 1-1 tie.

In the final game of the season the Governors traveled to Lynn to play Peabody High School. Bowen and Davidson scored early goals for the Red and White, but Peabody came back with four goals in the last two periods to win going away.

The over-all record of the team was four wins, four losses, and one tie. This record enabled the team to finish third in the Private School Hockey League. A great deal of credit for the fine season must go to the tireless efforts of Coaches Murphy and Brown, and to the Co-Captains, "Brownie" Taylor and Charlie Bowen, who always gave everything they had both on and off the ice.

# The Basketball Season

By THOMAS D. SAYLES, JR.

Wins and losses do not give the full picture in some cases. Although winning a good percentage of games may be impressive, the season can be completely successful while winning only a few. This year's Red and White squad was made up of one returning letterman and 14 boys who wanted to play basketball.

This lack of experience was costly in many of this season's games. It was very evident in the opener, when the Governors were able to score only 13 points against Lawrence Academy. Later in the season, the Huntington and Tabor games might well have been salvaged had the team been a little more seasoned. Ahead by five points in the third period against Tabor, the Governors became overanxious to increase the margin and hence threw the ball away while Tabor benefited by the Red and White's mistakes.

On a winning team, keeping the morale high is not a problem, but usually on a team that has its ups and downs it is quite a problem. Not so on this year's team. Even after several consecutive losses the boy's spirits were not dampened. One might think that there was a long winning streak riding on each game, with the zip and fire that the Governors had when they took the floor and during the game.

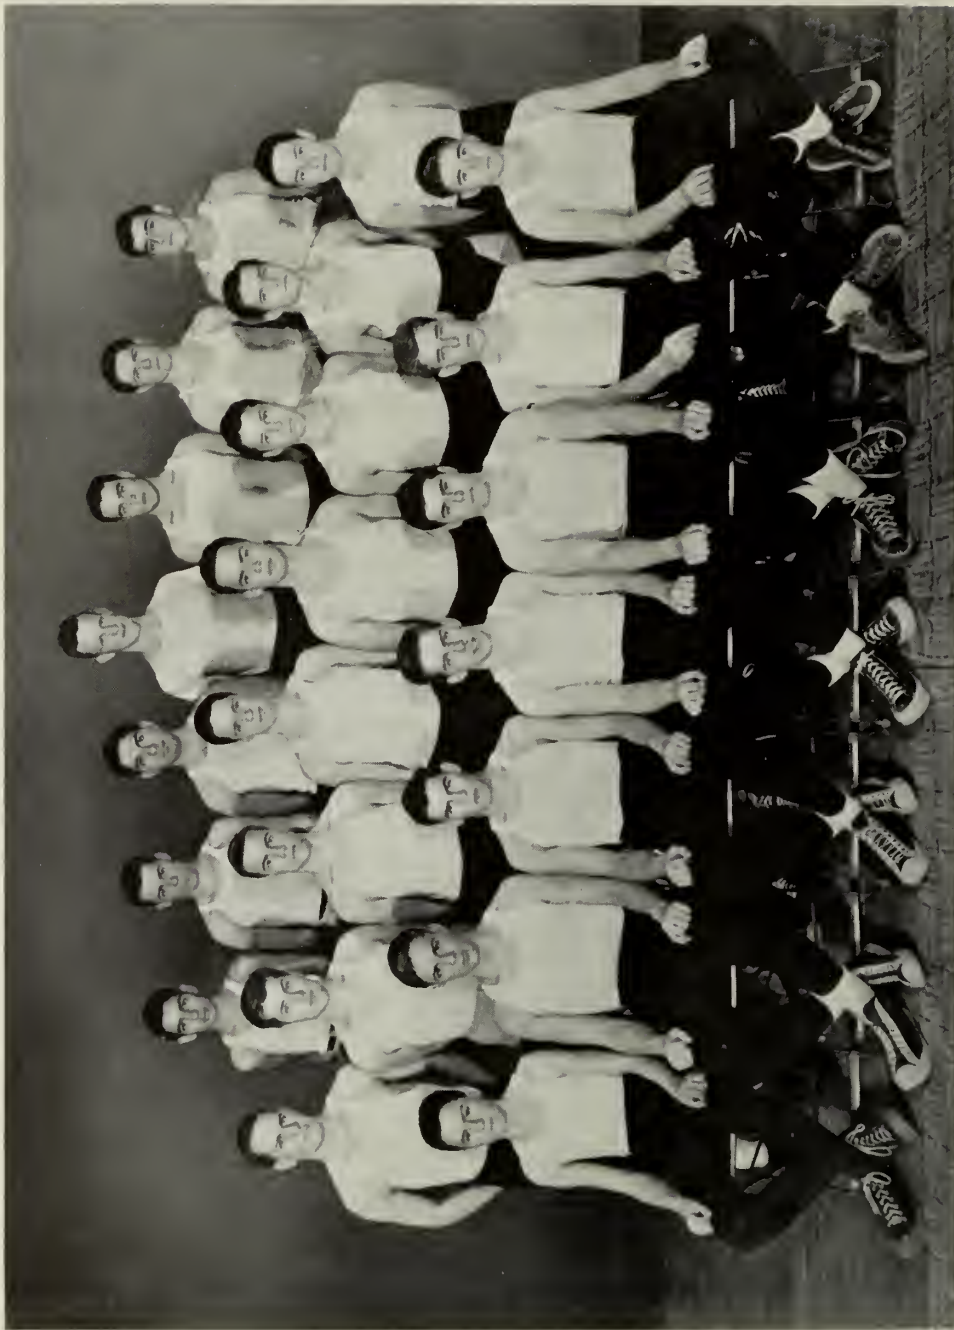

Improvement in each individual player, from the best to the worst, was a department in which this team excelled. From the first night of practice until the last Mr. Navins stressed the fundamentals of the game, knowing that this was the spot where the boys were weakest. The encouragement which one boy gave to another throughout the season was very creditable to watch. At the season's end each player had improved vastly himself and also was much more able to fit in with any combination of other players.

Eight players were the mainstays of the team. Captain Bill Rex was the most consistent player, astonishing every one with his accuracy at long ranges and giving a good account of himself on defense. Len Beck, Phil Hadley, Fred Hobbs and Dodge Morgan were the leaders in the scoring department. They all helped to give the team an average of 48 points per game. Tony Brockelman, Phil Long and Humphrey Zabriskie were outstanding on the defense, while still getting their share of the points.

Three victories were all that the team could bring home — Milton Academy and two wins over Johnson High School, but the team gave a good account of itself against such very strong competition as New Hampshire Freshmen and Huntington, and despite their record the boys who played and the boys who watched were proud of the team's achievement.

# The Wrestling Season

By CHARLES N. HUSSEY

With only three lettermen returning from last year, prospects looked rather slim for the Governor Dummer wrestling team as the schedule showed that they were up against some very strong teams. From these three lettermen, George Tulloch was chosen as captain.

In the first meet the Red and White out wrestled a powerful aggregation from Browne and Nichols. George Tulloch decisioned his man, Souther Barnes drew, and Walter Lawson, Don Bishop, and Rib Smythe all won by pins to give the team the meet, 20-15. The following Saturday, in a very exciting match, the Governors came out on the short end of an exciting 16-13 scrap with Noble and Greenough.

St. Mark's proved to be much stronger than expected and carried off the next meet handily, 24-3, as Captain Tulloch was the only South Byfield grappler to win. The team rebounded the following Wednesday only to lose to Brooks by the narrow margin of 18-15. Despite the fact that Tulloch took a decision, Smythe drew, and Bishop and Hjorth won by pins, Brooks had built up too large a lead to be overtaken.

After losing three straight the Governors captured the next one, from Roxbury

Latin, 16-14. The meet was always in doubt up to the last match when Buddy Reith, filling in at 175 lbs., shouldered his man in the second period to win the meet. Milton was the next foe, and although losing, 22-8, the Governors turned in one of their best performances of the year. George Tulloch kept his record clean with a pin, and Walter Lawson came through with a well-earned decision.

The Governors next took Wellesley High in their stride by the narrow margin of 18-17. The highlight of the meet was John Hjorth's performance, and his decision gave the Governors the win. After a very hard-fought meet, which was closer than the score indicated, the Governors came out on the tail end of a 23-8 score with Tabor. Chris Weichsel came up with a close decision while George Tulloch continued his winning ways with a fast pin.

All in all this season was a fairly successful one with three wins and five losses. Because of the stiff competition which the Governors faced, this was a good record. Much interest was created by the intra-murals after the regular season and the unfailing interest of Mr. Goodenough and Mr. Evans.

If while cruising around within a mile radius of Governor Dummer in the winter, one sees an exclusive group of exceptionally speedy runners, rest assured that Withington's Thunderbolts are in action.

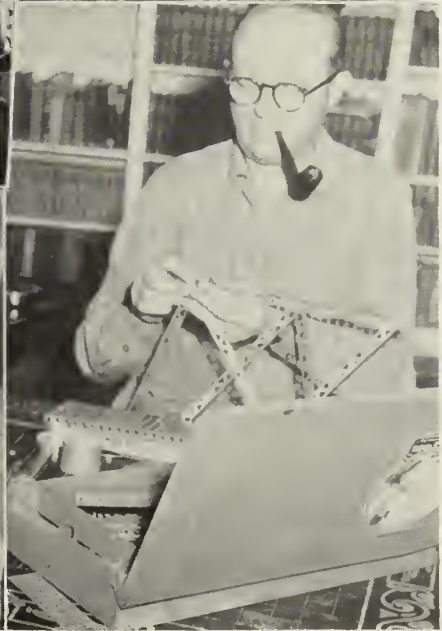

The whole of Winter Track centered around Nate Fuller, Pete Remis, Captain Tim Greene, and Skip Woodruff. Coach Withington had every right to be proud of this quartet because at the Andover Preparatory School Track Meet it took a record-breaking time to beat this relay team.

Other men in other events worked out, but mainly for the conditioning for the Spring team. There were two formal meets besides the Andover contest — the Exeter J.V.'s and Roxbury Latin. Both were lost, but they gave a few novices some valuable experience that should help the Spring team immensely.

# The Glee Club

By JAMES E. HICKS

As the members of last year's Glee Club spread the experiences of the dances, interest in the Glee Club grew in the student body. Since many of last year's members graduated, the club this year was to some extent made up of new boys who were attracted to the organization by reports of feminine beauty. Under the able direction of Mr. Sager and Mr. Stone the old and new boys blended into a smooth and harmonious group.

The reward for hours of practice came on December 10 when the members of the club journeyed down to Boston for the opening concert with the Winsor School. Preceding a very enjoyable dance there was a highly successful concert. Highlighting the program was Darby's *The Night Before Christmas*, sung jointly by the two Glee Clubs. After the scheduled program was finished, Mr. Sager led both clubs and the audience in the informal singing of Christmas carols which provided the finishing touch to the evening.

Soon after Christmas vacation ended, practice was begun on the pieces which were to be sung in Symphony Hall in April. Along with several other preparatory schools the Glee Club was to sing Bach's *Magnificat* and Fauré's *Requiem*. This was the concert that both the boys and Mr. Sager were pointing towards the whole season.

Joint concerts on successive weekends with the Abbot Fidelio Society and the Dana Hall Glee Club gave the school its first chance to hear the club. Choruses were sung from the *Magnificat* on both occasions, and the dances were held after the concerts to round out thoroughly enjoyable evenings.

Before a large crowd at Symphony Hall in Boston the combined choruses of

the Beaver Country Day School, Dana Hall, Walnut Hill, Milton, Andover, Exeter, and Governor Dummer performed under the direction of Mr. Wilfrid Pelletier. The complete program was pronounced a success as was proved by the acclaim of the audience. The 320 voices blended with precision under the baton of Mr. Pelletier which made this a spectacle long to be remembered by all those who participated. A great part of the success should be credited to Mr. Sager, who, as president of the New England Preparatory School Festival Chorus, was greatly responsible for this great undertaking. The concert was certainly one of the most ambitious ever put on by secondary schools in the United States.

Following this event a joint concert was held with Walnut Hill in Natick. The audience especially enjoyed the choruses from *Patience* by Gilbert and Sullivan.

Two weeks later the Club sang again with Walnut Hill. This time the concert was held at the Newburyport High School auditorium for the benefit of the Kiwanis Milk Fund. As was the case throughout the year, Wilhousky's *Meadowlands* was a favorite of the assemblage, which also liked *Princess Ida*, by Gilbert and Sullivan, and Grieg's *Landsighting*.

Clifton George did an exemplary job as president and leading soloist. He was ably assisted in the latter department by Hal Amrhein and Reg Towner. Charlie Arnold completed his career as accompanist doing as fine a job as had ever been done. Congratulations should be given to Mr. Sager and Mr. Stone who spent many hours of their time in the making of a profitable season.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature and number of the courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May twelfth. The speaker was Mr. Robert Kesler of the faculty of Phillips Academy at Exeter, New Hampshire.

#### THE RICHARD LITTLE DODGE PRIZE

Samuel Kenneth Bruce, Jr.

Presented in memory of Richard Little Dodge of the Class of 1940, for proficiency in Mechanical Drawing.

#### SPECIAL PRIZES

Through the generosity of Mr. Milton Dodge of Newburyport, the Academy is able to offer each year a few Special Prizes to boys who have qualified for no established prize, yet whose personal qualities or unusual accomplishments merit recognition.

To Samuel Finley Stay of Cleveland Heights, Ohio. This is the same old story. Finley's devotion to hard work in his studies has brought its own reward. He has been devoted also in performing school chores. Sorting out the letters in the school post office, he has always been careful to place love and parental admonition in their proper pigeonholes.

To Taylor Pyke of Oakland, New Jersey. Beneath Terry's calm exterior flames an intense competitive spirit which made him an exceptional football player. This outward calm also covers a sensitive, graceful talent for prose composition, and a sturdy independence and integrity of mind.

To Harry Williams Homeier of Akron, Ohio. A modest, unfailingly courteous boy, Brud has radiated good feeling and good cheer. By unusual perseverance and hard work, he has made substantial progress in his studies.

To Samuel Kenneth Bruce, Jr. of Manchester, New Hampshire. In the 16th century, Philip Sidney wrote, "It is not good to wake a sleeping lion." But this year Ken Bruce is sleepy no longer; he has awakened to perform miracles in the classroom and upon the field, and to exert strong leadership among his classmates.

To Edward Ashley Eames of South Byfield. The faculty Prize Committee has voted that Ash ought to receive a special prize. I fully agree with them. The boy deserves one. If there were no other reason, Ash probably ought to have a prize just for *surviving*. Six years in your father's school is a long time — and now Ash has come to the end of the road.

The photographs used in the MILESTONE are the work of the following, to whom we tender our warm thanks:

Bob Comey, Peter Smith, Edgar Lawson, and the Eames Studios, of Manchester, N. H.

We would like to thank the various friends of the MILESTONE who, although not definitely connected with the staff, yet have made generous contributions to this book. And we wish particularly to acknowledge our indebtedness to:

Mrs. Jane M. Gale for help in accounting,

Mr. Harold Johnson of Andover Press for relieving us of many worries,

The patrons of the MILESTONE dance for pecuniary support,

And our advertisers for making this book possible.

In the very first century of this country's existence, old New England began creating fine Sterling silver — beautiful examples of early craftsmanship . . .

The Towle Silversmiths today look back with pride on craft traditions that date from 1690 . . . and look ahead, with confidence, to the future — to the years of doing business in the New New England.

## *A Book To Be Treasured . . .*

*This annual is a permanent record, in picture and prose, of the academic year 1949-1950 at Governor Dummer Academy. Its value will increase as the years pass, and the quality of the printing will contribute in great measure to its lasting worth.*

*The Andover Press, Ltd., takes pride in its well-known craftsmanship which, combined with the long hours of careful planning and painstaking editorial work by the MILESTONE Staff, makes this a book to be treasured.*
